Hanover Square, London,
England, W1S 1HN

ABOUT US

Achieving Exceptional Investment Outcomes: Our investment management firm focuses on global alternative investment strategies. What sets us apart is our experienced team of investment experts, a global presence, and a unified investment philosophy.

Our investment approach is anchored in six key principles: risk management, consistency, market inefficiency exploitation, specialization, bottom-up analysis, and avoiding market timing. Beyond these, Fixotrade is committed to core business values, emphasizing exceptional investment results, client interest alignment, cultivating teamwork, and disciplined strategic growth.

OUR TEAM

At FixoTrade, our team is our most valuable asset, embodying a fusion of experience, innovation, and commitment. Our professionals are meticulously selected for their expertise in the investment field, ensuring that every decision and strategy is backed by deep industry knowledge and a forward-thinking mindset. From our Chief Investment Officer, John Harrison, whose strategic asset allocation has consistently fortified our portfolio, to Elizabeth Carter, our Director of Risk Management, who tirelessly safeguards our clients' interests, each member plays a pivotal role in cementing FixoTrade's position as a stalwart in the investment industry.

The spirit of FixoTrade is further enriched by the vibrant synergy between our teams. Michael Anderson, at the helm of Equity Research, ensures that our strategies are not just data-driven but are also aligned with evolving market trends, while Sophia Jenkins, our VP of Client Relations, exemplifies our commitment to client satisfaction, bringing a personalized touch to our services. This blend of professional acumen and dedication is what sets FixoTrade apart, making us not just a company, but a powerhouse of talent and reliability, steadfast in driving value and success for our clients.

CREATIVE TEAM

Our team comprises a dynamic group of professionals, each bringing a unique blend of innovation, expertise, and passion to the table. Together, we are dedicated to exceeding expectations and driving success, making our company a leader in our industry.

John Harrison.
Chief Investment Officer

As the Chief Investment Officer at FixoTrade, John Harrison brings over two decades of experience in the investment sector. His profound expertise in market analysis and strategic asset allocation is pivotal in steering our company's financial portfolio towards sustained growth and stability.

Elizabeth Carter.
Director of Risk Management

At FixoTrade, Elizabeth Carter is at the forefront of risk management, ensuring our clients' investments are safeguarded against market volatility. Her exceptional skill in identifying and mitigating financial risks has been instrumental in reinforcing our company's reputation for reliability and trust.

Sophia Jenkins.
VP of Client Relations

Sophia Jenkins, serving as the Vice President of Client Relations at FixoTrade, excels in fostering strong client partnerships and delivering personalized investment solutions. Her commitment to understanding client needs and her exceptional communication skills have been key to our firm's client retention and growth.

Michael Anderson.
Head of Equity Research

Michael Anderson leads the Equity Research team at FixoTrade with a keen analytical mind and a forward-thinking approach. His rigorous research methodologies and insights into market trends have consistently contributed to our firm's robust investment strategies and client satisfaction.
